## **GARNET MILLS**

**1903-1979**

Garnet Mills and his wife Florence came to Bennington to retire in 1968. However, he never truly retired and was active in the Bennington Congregational Church and in town affairs all his years here.

He was appointed to the Planning Board in 1971 and was Chairman from 1972 until his death in February 1979. Perhaps only those who have served the town in similar fashion can appreciate the time and personal sacrifice which is required by such offices.

Town Government as we know it can only function through the efforts of such dedicated citizens.

# TOWN WARRANT

## THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Bennington in the County of Hillsborough in said State, qualified to vote:

You are hereby notified to meet at the Town Hall in said Bennington on Tuesday, the 10th of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. Are you in favor of the adoption of the Zoning Ordinance as proposed by the Planning Board? (Ballot question.)

Additionally, pursuant to RSA 39:2-a and the vote of the Town at the March 4, 1975, Annual Meeting, you are hereby notified to meet at the Town Hall in said Town on Thursday, the 12th day of March, 1981, at seven o'clock in the evening to act upon the following subjects:

3. To see if the Town will vote to (a) appropriate a sum of money in excess of one hundred thousand dollars (\$100,000.00) for improvements to the municipal water system including enhancement of underground supply, storage and transmission capabilities, (b) determine whether any appropriation under this Article should be raised by borrowing or otherwise, or (c) take any other action in relation thereto. (Proposed by Water Commissioners.)

4. To see what sum of money the Town will raise and appropriate for highways and bridges.

5. To see if the Town will vote to accept State Aid for Class V roads and raise and appropriate money for the same. The Town must raise \$335.74 and the State will contribute \$2,238.29.

6. To see if the Town will vote to authorize the Selectmen to borrow such sums of money as may be necessary in anticipation of taxes.

7. To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by tax collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require.

8. To see if the Town will vote to accept legacies and gifts to the Town in trust or otherwise by any individual or individuals, or take any other action relating thereto.

9. To see if the Town will vote to transfer any balance in either the Fire Department appropriation or the Water Department appropriation to a Capital Reserve Fund to be used towards the purchase of equipment or plant in the future.

10. To see if the Town will vote to appropriate and authorize withdrawal from the Revenue Sharing Fund for use as setoffs against budget appropriations in the amount indicated; and further to authorize the Selectmen to make pro rata reductions in the amounts if estimated entitlements are reduced, or take any other action hereon.

| Appropriation       | Estimated Amount |
|---------------------|------------------|
| Police Department   | \$ 3,500         |
| Fire Department     | 3,500            |
| Street Lighting     | 2,500            |
| Parks & Playgrounds | 2,500            |
|                     | <hr/>            |
|                     | \$12,000         |

11. To see if the Town will vote to authorize the Selectmen to apply for, negotiate for, contract for, accept and to do all other things necessary to obtain such Federal, State or other assistance (financial or otherwise), or take any other action relating thereto. (Proposed by Selectmen.)

12. To see if the Town will vote to raise and appropriate the sum of \$713.00 as the Town's share for the studies and operation of the Southwestern New Hampshire Regional Planning Commission.

13. To see if the Town will vote to continue the joint work of the Study Committee and the Planning Board for preparation of a Town Master Plan for submission to the next Town Meeting.

14. To see if the Town will vote to create a Capital Reserve Fund for the future acquisition of a new police cruiser and to raise and appropriate the sum of \$2,000.00 for that purpose. (Proposed by the Police Department.)

15. To see if the Town will raise and appropriate the sum of \$11,200.00 to purchase a one ton truck complete with plow for the Highway Department. (Proposed by Road Agent and Selectmen.)

16. To see if the Town will raise and appropriate the sum of \$2,800.00 in order to make necessary plaster, painting and curtain replacement/repairs to the G. E. P. Dodge Library. (Proposed by Library Trustees.)

17. To see if the Town will vote to authorize the Selectmen to sell at public auction that small parcel of land on the southern side of the Greenfield Road which was acquired by the Town by deed of Idabel B. Jameson, dated December 17, 1907, recorded in Hillsborough County Registry of Deeds, Volume 657, Page 368, or take any other action in relation thereto.

18. To see if the Town will vote to authorize the Selectmen to sell at public auction its right " . . . to use the gravel, sand, rock and other soil . . . " on a certain tract of land south of the Greenfield Road, which right was acquired by the Town by deed of Emily Whittemore, dated July 25, 1904, recorded in Hillsborough County Registry of Deeds, Volume 628, Page 43, or take any other action in relation thereto.

19. To see if the Town will vote to discontinue as a public highway such portions of the old U.S. Route #202 right-of-way as are more than fifty (50) feet westerly from the construction center line between Station 134+60 and Station 152+50 as shown on plans of Bennington-Antrim F-217 (11)-P-2426 on record with the New Hampshire Department of Public Works and Highways, or take any other action relating thereto.

The location of the highway proposed to be discontinued is on the western side of U.S. Route #202 northerly of its intersection with Mill Road.

20. To see if the Town will raise and appropriate a sum of money not to exceed \$20,000.00 to make necessary repairs and added insulation to the Town Hall in order to improve the heating costs. Also that the Selectmen be authorized to raise such sum by borrowing or otherwise, or take any other action in relation thereto. (Bylaws Committee and Selectmen.)

21. To see if the Town will vote to (a) appropriate a sum of money less than one hundred thousand dollars (\$100,000.00) to repair, reconstruct or replace the Russell Brook Dam, so-called, (b) raise said sum by borrowing or otherwise, or (c) take any other action in relation thereto.

22. To see if the Town will authorize the Moderator to appoint a Study Committee on Recycling at the Landfill and to instruct that committee to coordinate with a similar committee formed in Antrim. (Requested by Antrim Recycling Committee.)

23. To see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to five percent and to limit the annual increase in spending by the state or any city, town, or other governmental unit of the state to five percent. (By petition.)

24. To see what sum the Town will raise and appropriate to pay the normal operating costs of the Town (as set forth in the Town Budget), or take any other action thereto.

25. To hear the reports of Committees and act thereon.

To transact any other business that may legally come before this meeting.

Given under our hands and seal this twelfth day of February, in the year of our Lord nineteen hundred and eighty-one.

Gladys Newhall  
Erving LeCain  
Charles Lindsay  
Selectmen of Bennington

## **SELECTMEN'S REPORT**

The major concern of the Selectmen during the year just past has been in the effort to control town expenses and to fight the battle of inflation. The major problems that the town faces at this time would be in the area of the town's water supply which is covered elsewhere in a detailed report by the Water Commissioners and the problems of maintenance and heating of the Town Hall.

The town's financial position continues to be very strong, with a very minimum of long-term debt and, therefore, in a position to undertake major projects in the area of the water system or the town's sewage collection and treatment system when determined upon by the voters.

### **ZONING:**

The Zoning Study Committee and the Town Planning Board have made substantial effort to reshape the zoning proposal for the town in a format that will meet the reservations that were indicated last year. After the required hearings, the zoning proposal will be placed before the voters at the March Town Meeting. The vote at that time will be by ballot and on a simple "Accept" or "Reject" basis. The Board of Selectmen support the wisdom of the concept of the town's moving to zoning although there may be some differences within the Board as to the individual details of the zoning ordinance.

### **TOWN WATER SUPPLY EXTENSION:**

The Water Commissioners will have held hearings on the need to upgrade the town's water supply system and, separately in the Town Report, there will be a report from the Water Commissioners related to this project. This will be the other major decision which will be placed before the voters at the March Town Meeting.

### **WATER POLLUTION ENGINEERING:**

There is really no change from the situation as reported one year ago. The State and Federal funding priority still seems to be some few years away.

### **SECRETARY-BOOKKEEPER:**

The Selectmen have been very pleased with the addition of a part-time secretary-bookkeeper who is at the Town Hall three afternoons per week together with the Town Clerk and Tax Collector. In addition to the usual secretarial work and maintaining the other town records, she now handles the bookkeeping functions for the Water Department.

### **FIRE DEPARTMENT:**

The Fire Department continues to provide excellent service and a department of which the town can be proud. Storm windows were erected by the Fire Department in the year just past and additional equipment was added.

### **POLICE DEPARTMENT:**

David Larocque resigned as Police Chief for personal reasons in the month of December and the Selectmen feel fortunate in being able to obtain a qualified and experienced policeman by the name of William A. MacKenzie III to act as Police Chief. Mr. MacKenzie, by agreement with the Board, is on a six month trial contract and we have every hope and expectation that the townspeople will be well satisfied.

**TOWN HALL:**

The bitter cold winter that we have experienced, together with the rapidly escalating cost of heating oil, has made it obvious that something will have to be done about the Town Hall. The building, which is basically without insulation, is now costing an unreasonable amount to heat and while the expenditure may represent a major one, the Board expects that the Town Hall Bylaws Committee will recommend — and the Selectmen will support — a major insulation project for the Town Hall. Unless something like this is done, it is hard to see how the Town Hall can be continued to be available for town uses during the wintertime.

The Town Hall Bylaws Committee have spent considerable time reviewing and updating the Bylaws governing the operation of the Town Hall. The amended regulations which they have adopted are printed elsewhere in the Town Report.

**THANK YOU:**

The Board would like to again express its thanks and appreciation to the many committees, boards and other town officials, without whose devoted service it would be impossible to provide the services that are required by the town.

**TAX YEAR 1980 SUMMARY INVENTORY OF  
VALUATION OF THE TOWN OF BENNINGTON  
IN HILLSBOROUGH COUNTY**

**CERTIFICATE**

This is to certify that the information contained in this report was taken from official records and is correct to the best of our knowledge and belief. (RSA 41:15)

**REVISIONS IN THE TOWN HALL BY-LAWS  
ADOPTED BY THE COMMITTEE**

Sandra Cleary  
Joy Levesque  
Rick Reed

January 15, 1981

**ARTICLE I**

**Section I**

It shall be the duty of the Janitor to keep the Hall in proper condition at all times. The Janitor shall make necessary repairs. It shall be the responsibility of the Janitor to preserve order at all gatherings or have a responsible person of 20 years of age or older fulfill that responsibility to insure that no damage is done to the building or its contents.

Following the use of the building for any function, the Janitor must inspect the Hall within 24 hours to insure that the building and its contents are in good condition. Any damage will be reported to the Selectmen who will take necessary action.

**Section II**

A bulletin or record book shall be maintained by the Janitor for the purpose of scheduling activities in the Town Hall.

**Section III**

Any individual or group wishing to use or rent the Hall must sign a form of accountability.

Form may be obtained from the Janitor whose responsibility it is to maintain the schedule for the Hall.

Application for use of the Hall must be made at least 24 hours in advance of such use.

Sporting events, such as basketball, will be scheduled once a week only.

**Section IV**

All purchases for the Town Hall shall be made in the name of the Town, and the Janitor shall present an itemized bill to the Selectmen at the end of each month. The Janitor shall turn over to the Treasurer at the end of each month all monies collected for the use of the Hall.

**Section V**

Question of interpretation of the By-Laws is subject to the final decision of the By-Laws Committee.

**Section VI**

The Janitor shall have no authority to change any of the prices for the use of the Hall named in these By-Laws.

**Section VII**

The Janitor and/or By-Laws Committee shall have the right to terminate use of the Hall for any infraction of the By-Laws or for violation of Local or State Statutes.

**Section VIII**

It shall be required that a Town Police Officer be on duty if alcoholic beverages are to be served. The expense to be borne by the renter.

**Section IX**

These articles may be revised at any time by a majority vote of the Committee.

**ARTICLE II**

**Section I**

**Schedule of prices:**

All Town organizations and other Town groups organized for activities to the general good of the townspeople. **FREE**

For school entertainment, rehearsals, and educational purposes providing teacher accompanies the children. **FREE**

For all local religious meetings. **FREE**

For all functions locally sponsored connected with Town recreation activities. **FREE**

Local active and organized teen clubs or groups shall have the use of the Hall for free provided they are properly chaperoned by persons of 20 years of age, and sponsored by a local organization. It shall be the duty of the chaperone to see that the Hall is properly cleaned before leaving the function. **FREE**

For all other activities not mentioned above, a charge of \$10.00 per hour will be levied to a maximum of \$40.00.

**ARTICLE III**

**Section I**

These Articles were adopted and put into force by the By-Laws Committee on January 15, 1981.

## TOWN HALL REPORT

There has been no serious trouble at the Town Hall other than trying to keep the cold out and thereby saving fuel.

The floors in the main hall, upper and lower entries and stairs have been refinished. Fire extinguishers have been placed in the hall according to insurance specifications. Another emergency light was installed at the head of the stairs, railings on the stairs to the basement and balcony — all according to insurance specifications.

Work on one of the furnaces was very expensive but necessary. Since the start of cold weather, polyethylin has been put over all the windows downstairs and weatherproofing installed around the doors.

Partly because of the death in our family and my hospitalization, I completely forgot about the twenty-five (.25) cent raise which was given to me last year at the budget meeting by the Selectmen. Therefore, I feel that the extra twenty-five (.25) cents per hour helped to pay for necessary material used to try and make the building more comfortable and also to conserve on fuel.

The fourth, fifth, and sixth grades have continued to contribute at each of their dances to help with maintenance of the hall. I feel that they should be commended.

Respectfully  
Dorothy M. Traxler

## REPORT OF ANTRIM RESCUE SQUAD

The Antrim Rescue Squad responded to 98 calls in 1980. 71 in Antrim, 25 in Bennington and 2 for Mutual Aid. Of these calls 16 were automobile accidents involving 32 patients.

With the help and generosity of our friends we were able to purchase and equip a new ambulance this year. WE WISH TO THANK YOU FOR YOUR CONTINUING SUPPORT.

|                                                                     |             |

Donna L. Holt  
Secretary/Treasurer

## **BENNINGTON FIRE DEPARTMENT**

1980 was a busy year for the Bennington Fire Department. We responded to 61 calls. They included 8 chimney fires, 1 house fire, 1 car fire, 1 mattress fire, 2 false alarms, 2 calls to the Monadnock Paper Mills, Inc. and 5 automobile accidents. As for mutual aid, we responded as follows: Antrim — 9, Frankestown — 6, Greenfield — 1, Hancock — 1, Hillsboro — 1. In addition to the five automobile accidents in Bennington, our rescue van also responded to nine automobile accidents in Antrim and 14 medical emergencies in town.

We would like to remind everyone of our upcoming auction in August. Please think of us when you do your spring cleaning. Any donations would be most appreciated. If you do not wish to hold on to your items until summer, please don't hesitate to call any member of the fire department and they will arrange for immediate pick up.

This past year the Bennington Fire Department has been busy raising money through numerous raffles, ham and bean suppers, dances and car washes. These funds together with 1981 activities, in particular our auction, will be used to replace our rescue van. Our ultimate goal is to replace the van from our own funds and with no cost to the residents of Bennington. Our present rescue van is beginning to show its age and incapacibilities.

We wish to thank the Bennington community for their continued support and hope that we can count on it at our future fund raising events.

Respectfully submitted,  
John French, Chief  
Donald Taylor, First Assistant  
Dana Robertson, Second Assistant

## **BENNINGTON JUNIOR FIRE DEPARTMENT**

During the past year, two members were trained in forest fire fighting. We hope this year we will be able to have five or six more trained in this course. We also hope to have people trained in advanced first aid and CPR.

The Junior Fire Department has held bingo every month for the last couple of years. This year we have donated to the Fire Department and also to Pierce School. We thank John French, our advisor and also all of the people who make it successful for our department.

Scott Liljeberg, Chief  
George Chicoine, First Assistant  
Mike Cashion, Captain

## **REPORT FROM THE BENNINGTON IMPROVEMENT ASSOCIATION**

The BIA year was as usual with the planting of geraniums on the Village Green and the lighted Christmas tree. This year Mr. and Mrs. Richard Verney supplied the Christmas tree and had it lighted.

If anyone has a suggestion for activities that need to be considered, please contact the secretary.

Respectfully submitted,  
Barbara Willis, Sec.

## **PLANNING BOARD REPORT**

Preparation of a revised zoning ordinance has been completed with the welcome assistance of the Zoning Study Committee. Every attempt has been made to incorporate the recommendations of town residents, to make the proposed ordinance short, simple, and workable. We thank all those who helped in its preparation. The town voters again will be voting for or against the proposed zoning ordinance this year.

Preparation of a master plan should become more active in 1981.

There were two major sub-divisions (more than five building lots each) and six small sub-divisions approved during the 1980 calendar year.

Wayne Roy  
Chairman

## **REPORT OF THE ZONING STUDY COMMITTEE 1980**

The Zoning Study Committee reconvened after last year's Annual Town Meeting to reassess its function and continued existence. It was decided that in view of the poor voter response to the preliminary zoning ordinance phases, that the townspeople would be recontacted according to specific interests to decide if land use planning was still a desirable goal for the town. After meetings with members of the business community, retired citizens, and citizens at large group, it was clearly demonstrated that the town in defeating the proposed ordinance of last year was against the specifics of the ordinance as opposed to the concept itself. In furtherance of that directive the Committee has again prepared for voter consideration a proposed ordinance, a copy of which you will find in the Annual Report. It should be noted that the ordinance is designed to be simple and straight-forward and aimed at regulating further growth and is not designed to restrict in any way, shape or form present existing land uses.

The Committee is thankful for the work and effort of its members and the input of their citizenry.

# Zoning Ordinance

An order to promote the health, safety, convenience and general welfare of the community by regulating the use of land in the Town of Bennington.

## ARTICLE I PURPOSE and AUTHORITY

In pursuance of authority conferred by Chapter 31, Sections 60-89, New Hampshire Revised Statutes Annotated, 1955, (and for the purpose of promoting the health, safety, and general welfare of the Town of Bennington, to protect the value of property, to prevent the overcrowding of land, to avoid undue concentrations of population, to provide for transportation, water, sewage disposal, schools and public requirements), the following ordinance is hereby enacted by the voters of the Town of Bennington, New Hampshire in official meeting convened on March 10, 1981.

## ARTICLE II ZONING DISTRICTS and ZONING MAP

The Town of Bennington is hereby divided into the following Zoning Districts as shown on the "Zoning Map of Bennington, New Hampshire", dated February 1981, which, with all explanatory matter therein shall be considered part hereof. The original map is filed in the office of the Bennington Town Clerk.

### Districts: Purpose and Intent

**RURAL/AGRICULTURAL DISTRICT** — This District is designed to accommodate residential uses in what is commonly recognized as being a rural environment. The property included within this District will accommodate open space and low density uses including agricultural and farming activities. This District is considered to be a future growth area for the Town and new uses should be carefully controlled.

**VILLAGE DISTRICT** — The Village District encompasses the more highly developed section of Town, and provides for the location of that mixture of typical uses that generally characterizes the New England village center. This area usually contains smaller lots, less open space, and more concentrated and diversified land uses than in the Rural/Agricultural District.

**INDUSTRIAL DISTRICT** — This District includes the town's existing major industry and provides for reasonable modification and expansion of that industry, including industry related and/or beneficial to that industry and other general industrial uses.

### District Boundaries

Where uncertainty exists with respect to the boundaries of any of the aforesaid Districts as shown on the Zoning Map, the following rules shall apply:

**Property Lines:** If the District Boundary is a property line, the boundary shall follow such property line as described in the Tax Assessor's records at the effective date of these regulations.

**Measured Lines:** Unless otherwise indicated, if a District Boundary is stated by a measured distance from a street, such distance shall be measured perpendicularly from the boundary of such street which is on the same side as the District.

**Streets, Rivers, Brooks:** If opposite sides of a street, river or brook are in different Districts, the center line of the street, river or brook shall be the District Boundary.

**Railroad Line:** Where the boundary line of a District follows a railroad line, such

boundary shall be deemed to be located in the middle of the main tracks of said railroad line.

**Lakes or other Bodies of Water:** Where the boundary of a District follows a lake or other body of water, the boundary line shall be deemed to be at the limit of the jurisdiction of the Town of Bennington unless otherwise indicated.

### **ARTICLE III GENERAL REGULATIONS**

**Application of Regulations:** No building or land shall hereafter be used or occupied and no building or part thereof shall be erected, moved or extended except in conformity with the Regulations herein specified for the District in which it is located.

#### **Non-Conforming Uses:**

Any non-conforming use of land or buildings lawfully existing at the effective date of these Regulations, or of any pertinent amendment thereto, may be continued. In addition, any building so existing which was designed, intended for, arranged, or is devoted to a non-conforming use, may be structurally altered and the non-conforming use therein continued, all subject to the following requirements:

1. A non-conforming use may be changed to a conforming use, but may not then be changed back to a non-conforming use.
2. A non-conforming use which has been discontinued for a period of one year shall not thereafter be resumed, unless it will result in unnecessary hardship, be contrary to the spirit of the ordinance, or constitute substantial injustice.
3. A non-conforming use may be enlarged or extended upon approval of the Bennington Board of Adjustment, if it is deemed that the enlargement or extension does not adversely affect, in any way, the area in which the non-conforming use is located, the adjacent properties, the character or environment of the neighborhood, or increases traffic on the streets serving the area.
4. When a building in which there is a non-conforming use is destroyed by fire, explosion or act of God, it may be restored and the non-conforming use continued, provided that it covers, within reasonable and practical limitations, no more land area and has no greater cubical content or height than it originally had.

#### **Non-Conforming Lots:**

Provided that an existing non-conforming lot or lots contains not less than 20,000 square feet in the Village District or in the Rural/Agricultural District, nothing in these Regulations shall prevent the construction of a permitted building or the establishment of a permitted use on a lot containing less than the prescribed area or width at the effective date of these Regulations, or any pertinent amendment thereto, if it was:

1. Owned separately from any adjoining lot and recorded in the Hillsborough County Registry of Deeds, or,
2. Shown on a plan or subdivision approved by the Bennington Planning Board and recorded in the Hillsborough County Registry of Deeds, or,
3. One of a group of adjacent lots of record under the same ownership on the effective date of these Regulations.

#### **Prohibited Uses:**

No mobile home shall be hereafter erected within the Village District.

#### **Lots Lying in More than One District:**

Where a District Boundary line divides a lot of record at the time such line is adopted, the regulations for the less restricted portion of such lot shall extend not more than thirty (30) feet into the more restricted portion provided the lot has frontage on a street in the less restricted district.

## **ARTICLE IV USE REGULATIONS**

### **RURAL/AGRICULTURAL DISTRICT (R/A)**

This District is designed to accommodate residential uses in what is commonly recognized as being a rural environment. Agriculture and other low density uses shall also be permitted. This District is considered to be a future growth area for the Town and new uses are to be carefully controlled.

Permitted uses in the Rural/Agricultural (R/A) District are as follows:

1. One family residence
  2. Tourist home
  3. Convalescent home, nursing home
  4. Educational, church or public and semi-public uses provided they are not carried on for profit
  5. Veterinarian, commercial stable or kennel
  6. General farming, including horticulture, dairying, livestock and poultry raising, and other agricultural enterprises or uses
  7. Roadside stands for the sale of home grown produce provided that they are so located on the lot as not to create roadside hazards or undue traffic congestion
  8. Excavation of natural materials as provided for and restricted by state statutes and/or local regulations
  9. Commercial agricultural uses such as nurseries and greenhouses
  10. Real estate office
  11. Customary Home Occupations which commonly are recognized by substantial and long practice as having been carried on in a residence by the occupant thereof, providing that:
    - a. such operations be located within the same structure as a residence of the proprietor
    - b. such operations employ no more than two persons not resident on the premises
    - c. such operations not utilize more than one-third of the total enclosed floor area of the structure and not alter the exterior of the structure.
  12. Accessory uses which are clearly incidental to the uses permitted herein.
- Uses permitted by Special Exception in accordance with Article V of these Regulations are as follows:
- a. All light industrial and commercial uses
  - b. Commercial recreational facilities
  - c. Conversion of a dwelling which has existed for at least ten (10) years to a multi-unit residence

### **VILLAGE DISTRICT (V)**

The Village District (V) is intended to provide compact areas within which the commercial and business uses necessary to service the needs of the community may function.

Permitted uses in the Village District (V) are as follows:

1. One family residence
2. Place of worship
3. Hotel, Inn, Motel including such retail business within these permitted uses are conducted for the convenience of the residents thereof
4. Public utilities buildings, except sewage disposal or incinerator facilities, provided there is no service yard or garage
5. Retail business establishments
6. Professional offices

- 7. Real estate office
  - 8. Restaurant, cafeteria, bakery and confectionery shop
  - 9. Grocery or general store primarily serving the everyday needs of the resident population
  - 10. Bank or financial institution
  - 11. Indoor theatre and private clubs
  - 12. Accessory uses which are clearly incidental to the uses permitted herein
- Uses permitted by Special Exception in accordance with Article V of these Regulations are as follows:
- a. Gasoline Station for the sale of fuel and petroleum products for motor vehicles
  - b. Commercial recreational facilities
  - c. Conversion of a dwelling which has existed for at least ten (10) years to a multi-unit residence

**INDUSTRIAL DISTRICT (I)**

The Industrial District (I) is intended to accommodate the Town’s major industry and provide an area within the Town for manufacturing, processing, treatment, research, warehousing, storage, and distribution, where there is minimum danger of explosion or other hazards to health or safety.

Permitted uses in the Industrial District (I) are as follows:

- 1. Manufacturing, processing and treatment
- 2. Warehousing and storage
- 3. Distribution and transportation
- 4. Research laboratories
- 5. Retail facilities and incidental services and uses
- 6. Accessory buildings
- 7. Public utility buildings

All industries shall limit to the extent possible offensive smoke conditions, objectional noise, offensive waste disposal, excessive brightness of lighting and vibration, and shall comply with all relevant rules and regulations issued by the New Hampshire Air Pollution Control Commission, New Hampshire Water Supply and Pollution Control Commission, Solid Waste Disposal Section of the New Hampshire Division of Public Health Service and the United States Environmental Protection Agency or their successor agencies.

All industrial wastes regarded as dangerous shall not be permitted to be stored or disposed of within the Industrial District, unless such storage or disposal complies with all applicable Federal and State regulations.

A site development plan shall be submitted to and approved by the Bennington Planning Board indicating existing and proposed grading, means of vehicular access and egress, storm water drainage, parking areas, and landscaping sufficient to screen the property development from adjacent land owners.

**BUILDING SCHEDULE FOR ALL ZONING DISTRICTS**

|                                       | Industrial | Village | Rural/<br>Agricultural |
|---------------------------------------|------------|---------|------------------------|
| Maximum stories (buildings)           | 3          | 2½      | 2½                     |
| Maximum height in feet<br>(buildings) | 50’        | 35’     | 35’                    |
| Minimum lot frontage                  | 500’       | 75’     | 200’                   |

|                                                 |                                                   |                                                                                                                       |         |
|-------------------------------------------------|---------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|---------|
| Minimum lot area (acres)                        | 10 acres                                          | ½ acre                                                                                                                | 2 acres |
| Minimum setback from street (feet)              | 100'                                              | 15'                                                                                                                   | 50'     |
| Minimum setback from all other lot lines (feet) | 100'                                              | 15'                                                                                                                   | 30'     |
| Building coverage (maximum %)                   | 30%                                               | 20%                                                                                                                   | 20%     |
| Off street parking                              | One space for each employee on the largest shift. | (Adequate to meet requirements of intended use as approved by the Board of Selectmen on advice of the Planning Board) |         |

### **Development of Rear Lots**

An individual rear lot (excluding the creation of a new subdivision) meeting the lot area requirements of the District in which it is to be located and having an average minimum width equal to the required frontage for the applicable zoning district, may be created. The lot must have a minimum right-of-way for access from a public road of at least 50 feet in width, meeting the gradient and curvature requirements for the entire length of the right-of-way as specified in the Town of Bennington Subdivision Regulations.

### **ARTICLE V SPECIAL EXCEPTIONS**

The granting of Special Exceptions relating to the specific uses listed below, permits the inclusion into the zoning pattern of development in Bennington these uses, where their nature is such that their location must be considered in light of these special restrictions tailored to fit the unique problems which the use presents.

#### **Gasoline Service Station:**

No Special Exception shall be granted for the erection of a gasoline service station or for a garage for the repair, servicing, maintenance or painting of motor vehicles, or for the conversion of any premises not so used to be used for such purposes, if any part of the lot in question is situated within a distance of 200 feet, as measured along the public streets, from any of the following:

- A public school or duly organized school other than a public school
- A church
- A public library
- A theatre

1. No entrance or exit for motor vehicles, for such garage or service station, or for the conversion of a property for such use, shall be within 100 feet as measured along a street or highway from any part of a residential property of another person located on the same street or highway.
2. No existing garage or gasoline station conforming to this provision at the time of the passage of these regulations shall be deemed to become a non-conforming use through the subsequent erection of such school, church, library or theatre, within the aforesaid prescribed area.

### **ARTICLE VI DEFINITIONS**

Except where specifically defined herein, all words in this ordinance shall carry their customary meanings. Words used in the present tense include the future, and the plural includes the singular; the word "lot" includes the word "plot"; the word "building" includes the word "structure"; the word "shall" is intended to be mandatory; "occupied" or "used" shall be considered as though followed by the words "or intended, arranged or designed to be used or occupied".

**ACCESSORY BUILDING** — Any subordinate building or portions of the main building, the use of which is customarily incidental to that of the main building on the same lot or premises and which is used primarily by the occupants of the main building.

**ACCESSORY USE** — Any use customarily incidental, related, and clearly subordinate to a principal use established on the same lot or premises.

**BUILDING** — Any structure having a roof and intended for the shelter, housing or enclosure of persons, animals, or materials.

**BUILDING COVERAGE** — The percentage which the aggregate area of all buildings on the lot bears to the area of the lot.

**BUILDING HEIGHT** — The vertical distance from the finished grade at any point under consideration to the ridge of the roof.

**Light Industry and Commercial Use:**

Light Industry and Commercial Use is permitted in the Rural/Agricultural District by Special Exception provided that:

1. Each lot is located adjacent to and has frontage on a public street or highway of at least 500' and is located on a lot of at least five acres.
2. A Site Development Plan is provided to the Board of Adjustment indicating existing and proposed grading, means of vehicular access and egress, storm water drainage, parking areas and landscaping sufficient to screen the property development from adjacent landowners.

**Commercial Recreational Facilities:**

Commercial Recreational Facilities are permitted by Special Exception provided that:

1. No noise which is objectionable for any reason shall be transmitted outside the property development for commercial recreational purposes.
2. No undue traffic hazard or congestion in the streets will be created by the proposed use.
3. The development of the premises for a commercial recreational use will not necessitate extra or unusual servicing of the property by the Town of Bennington.

**Conversion of Existing Buildings**

Any dwelling which has been in existence as such for more than ten years may be converted in any District to contain additional dwelling units provided that the following requirements are met:

1. Fire escapes and stairways, if required, shall be located on the rear of the building where practicable and shall not be located on any building wall facing a street.
2. Adequate off-street parking to allow One (1) parking space for every one (1) bedroom dwelling unit and two (2) parking spaces for every dwelling unit with two or more bedrooms.
3. After conversion of the dwelling, it shall retain substantially its original appearance as a one-family dwelling.

**BUILDING LINE** — A line parallel to a street at a distance from the street line equal to the required front yard or at a greater distance when otherwise established by the Town of Bennington or when established by the owner and recorded in the Hillsborough County Registry of Deeds. The establishment of a building line may exclude such appurtenances to the building front as entrance steps and chimney foundations.

**CLUB** — An organization of persons pursuant to the provisions of the membership

corporation law or the benevolent orders law which is the owner, leasee or occupant of an establishment operated solely for a recreational, social, patriotic, political, benevolent or athletic purpose, but not for pecuniary gain, and includes the establishment so operated. A club shall cater only to its members or guests accompanying them.

**COMMERCIAL RECREATIONAL FACILITIES** — Include, but are not limited to, the recreational facilities themselves, related land development, and land uses customarily associated with commercial recreational facilities.

**DWELLING** — A building, or part of a building, which contains living and sleeping accommodations for permanent occupancy.

**FAMILY** — Any number of individuals related by blood, marriage or adoption, living together as a single housekeeping unit.

**GARAGE, PRIVATE** — A detached or accessory building or a portion of a main building, primarily used for the parking and storage of motor vehicles belonging to the occupants of the premises.

**GARAGE, PUBLIC** — A building or use, other than a private garage, used for the maintenance, repair, painting, performing of body work, storage of motor vehicles and retail sale of petroleum products for motor vehicles.

**LIGHT INDUSTRY & COMMERCIAL USE** — A use that has 15 kw per 1,000 square feet of space or less, or its equivalent.

**LOT** — A plot or parcel of land occupied, or capable of being occupied, in conformity with these regulations by one principal building and the accessory buildings or uses customarily incident thereto, including such open spaces as are required by these Regulations. In the case of multiple dwellings, row dwellings, institutional uses, industrial or commercial buildings, a group of buildings under the same ownership may be considered as occupying the same lot.

**LOT AREA** — The required lot area shall be deemed to be the product of multiplying the average width of the lot by a lot depth not greater than three times such width, regardless of the extreme depth of the lot.

**LOT, CORNER** — A lot at the junction of and fronting on two or more intersecting streets having an interior angle of less than 120 degrees at the intersection of the two street lines.

**LOT COVERAGE** — The percentage which the aggregate building area of all buildings on the lot bears to the area of the lot.

**LOT DEPTH** — The mean distance from the street line of the lot to its rear lot line measured in the general direction of its side lot lines.

**LOT FRONTAGE** — The distance between the lot side lines as measured along the building line of the lot. Frontage shall be on an approved street, a Class I, II, III, IV or V highway.

**LOT, REAR** — A lot meeting the minimum lot area requirements and all other requirements of these Regulations, but which is situated to the rear of existing property so as to be unable to meet the frontage requirements of the District in which it is located.

**MOBILE HOME** — Any vehicle or similar portable structure having no foundation other than wheels, jacks, or skirtings and so used, designed or constructed as to permit its being used as a conveyance and as a dwelling or a sleeping place for one or more persons, and provided with lavatory, toilet, and bathtub whether or not such vehicle is actually immobile because of temporary or permanent utilities, connections, foundations, or other features that attach it to a fixed site.

**MOTEL** — A building or a group of buildings providing lodging for persons generally having private outside entrances for each room or suite of rooms and for each of which rooms or suite of rooms automobile parking is provided on the premises.

**HOTEL or INN** — A building, or portion thereof, where lodging is offered to transient guests for compensation and in which there are more than five sleeping rooms with no cooking facilities in an individual room or apartment.

**PROFESSIONAL** — Of or pertaining to a calling requiring specialized knowledge and long and intensive preparation, such as doctors, lawyers, architects, engineers, accountants, etc.

**SETBACK** — The open space required between any building or structure and the street or property lines. The setback from a given line shall be interpreted to be the average distance, measured at right angles to that line, to the extreme corner of the nearest side of the building or structure.

**SPECIAL EXCEPTION** — A Special Exception permits the inclusion into the zoning pattern of uses considered to be essentially desirable, but where the nature of the use is such that its location must be considered in light of special restrictions or conditions tailored to fit the unique problems which the use presents. The Special Exception relates to a specific use in a specific location, and the regulations controlling these Special Exceptions are contained in these Regulations.

**STREET** — The street or public way is meant to include all ways that are maintained by the state or town, as Class I, II, III, IV and V highways.

**STRUCTURE** — Anything constructed or erected which requires location on the ground, including signs, but not including fences or walls used as fences.

**TOURIST HOME** — A building consisting of a room or groups of rooms located on one premise, where transient accommodations for sleeping or living purposes for not more than six persons are provided for compensation.

**YARD, FRONT** — A yard extending across the full width of the lot and lying between the front line of the lot (the street line) and a parallel line at a distance therefrom as specified in these Regulations.

**YARD, REAR** — A yard extending across the full width of the lot and lying between the rear lot line of the lot and a line distance therefrom as specified by these Regulations.

**YARD, SIDE** — A yard between the side lot line of the lot and a line at a distance therefrom as specified in these Regulations.

**VARIANCE** — An act of the Board of Adjustment which allows a variation from the terms of these Regulations as will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the provisions of the Regulations will result in unnecessary hardships, and so that the spirit of the Regulations shall be observed and substantial justice be done.

## **ARTICLE VII ADMINISTRATION and ENFORCEMENT**

### **Interpretation of Regulations:**

In their interpretation and application, the provisions of these Regulations shall be held to be the minimum requirements adopted for the promotion of the public health, safety, comfort, convenience and general welfare. It is not intended that these Regulations repeal, abrogate, annul or in any way impair or interfere with any existing provisions of the law or ordinance or any rules, regulations or permits

previously adopted or issued, or which shall be adopted or issued pursuant to law, relating to the use of buildings or premises; nor is it intended by these Regulations to interfere with or abrogate or annul any easements, covenants or other agreements between parties; provided, however, that where these Regulations impose greater restriction upon the use of buildings or premises or upon the height of buildings, or require larger yards or other open spaces than are imposed or required by such existing provisions of law or ordinance, or by such rules, regulations or permits, or by such easements, covenants or agreements, the provisions of these Regulations shall control.

**Enforcement and Penalties:**

These Regulations shall be administered and enforced by the Board of Selectmen of the Town of Bennington, which is empowered to cause any building, structure, place or premises to be inspected and examined and to order, in writing, the remedying of any conditions found to be in violation of any provision of these Regulations.

**Certificate of Occupancy (or Building Permit):**

Certificates of Occupancy, sometimes known as Building Permits, shall not apply to the remodeling of existing buildings, but only to new construction and land use as set out below.

No land shall be occupied or used and no building erected, at a cost of \$2,500 or more, until a certificate of occupancy shall have been issued by the Board of Selectmen, or their agent, stating that the proposed building or use thereof complies with the provisions of these Regulations.

No excavation for, or erection of, any building shall be permitted until an application has been made for a certificate of occupancy.

The Board of Selectmen, or their agent, shall maintain a record of all certificates and copies shall be furnished upon request to any person having a proprietary or tenancy interest in the building affected.

If the administration costs related to certificates of occupancy become burdensome to the Town as determined by the Board of Selectmen they shall charge an amount, to be determined by the Board, from time to time to cover these charges.

**Board of Adjustment:**

The Board of Selectmen shall appoint a Board of Adjustment consisting of five members and two alternates conforming in duties and authority to the provisions of Chapter 31 of the New Hampshire Revised Statutes Annotated, thereafter vacancies shall be filled by electoral process. In the event vacancies are not filled by electoral process, the Board of Selectmen's original power of appointment shall be used to fill such vacancies.

**Validity of Regulations:**

If any section, paragraph, subdivision, clause or provision of these Regulations shall be adjudged invalid, such adjudication shall apply only to the section, paragraph, subdivision, clause or such provision so adjudged, and the remainder of these Regulations shall be deemed to be valid and effective.

**Amendments:**

This Ordinance, and the boundaries of Zoning Districts established hereunder, may from time to time be amended or changed as provided by Chapter 31 of the New Hampshire Revised Statutes Annotated.

**Effective Date:**

The Effective Date of this Ordinance and the Zoning Map shall be the date of passage of the Regulations.

may from time to time be amended or changed as provided by Chapter 31 of the New Hampshire Revised Statutes Annotated.

**Effective Date:**

The Effective Date of this Ordinance and the Zoning Map shall be the date of passage of the Regulations.

**REPORT OF THE WATER COMMISSIONERS**

In order that this report be no longer than necessary, we refer you to our report for 1979 and will take it from there.

Since last year we have been advised by the State that we are in violation of State statutes pertaining to turbidity testing. They require daily tests be performed; a log kept of same, and regular reports to them. This requires an investment of several hundred dollars in equipment and an increase in overhead for the time involved. We are waiting for the result of the vote on the closed cistern system at town meeting. If this vote is negative we will have to start this testing along with many other things necessary to monitor the purity of the water in the system. We are subject to fines of up to \$500.00 per day for noncompliance.

We have negotiated with Monadnock Paper Mills, Inc. for a more realistic charge for hydrant and sprinkler system service provided by the Town to the Mill. They have agreed to pay \$3,600.00 per year for this service if we build the cistern and \$1,800.00 per year if not, and of course they will also pay the same as everyone for every gallon of water used. This will mean additional revenue of \$2,600.00 or \$1,000.00 respectively and we are grateful to the Mill for their willingness to pay their fair share of cost distribution.

We re-applied to Farmers Home Administration and they have approved a grant of \$157,600.00, which is \$53,000.00 over the original grant, leaving a balance of \$352,400.00 to be paid by the town which they will loan us at 5% per annum for thirty years.

We have had an engineer look at the dam at the upper reservoir and they estimate a very temporary repair would cost about \$25,000.00 and a permanent repair to the dam could be done as high as \$100,000.00.

We have made a special effort to collect delinquent accounts and, except where there are extenuating circumstances, we have been able to collect most old accounts.

In view of the stringency of open reservoir regulations coupled with the cost and excessive overhead to provide monitoring and filtering or chemical treatment of same plus the fact that we must repair the dam just to maintain the status quo, the Commissioners feel it would be fiscally irresponsible to recommend anything but to build the cistern and make the other alterations recommended in the studies thereby meeting the criteria of the clean water act and at the same time correcting the mechanical deficiencies of the system.

We will insert appropriate articles in the warrant and hope the voters will see the situation as we do and give us the vote necessary to complete this project in the coming year.

Respectfully submitted,  
Albert Cuddemi,  
Charles Lindsay,  
Harold Parson,  
Bennington Water Commissioners

## ROAD AGENT'S REPORT

As 1980 came to an end, all town roads were in a satisfactory state of condition. A few new culverts were put in during the summer months and dirt roads were graveled and ditched. The Old Greenfield Road was worked on rather extensively. Some of it was widened and an awful lot of shimming done before it could be tarred. A portion of Acre Street was shimmed and much more is planned for this coming summer.

Winter roads have been kept as wide as possible. Roads are reasonably clear of ice with the use of sand and salt. We used mostly sand as it is cheaper and doesn't harm the surrounding trees and wells like salt would.

The new roof on the town barn is very nice. A dry place to work is well appreciated by the Highway Department.

As we start into 1981 the truck and plow are in good condition. The highway sander is also in good condition. A new truck is being asked for this year but not to replace the old one. A smaller truck would be very beneficial throughout the summer for patching and general maintenance because it would be easier to work out of and would run much cheaper than the big 4-wheel drive. In the winter it would be ideal for cleaning corners and sanding. It would also cut down plowing time by having two plow trucks instead of only one. It is my hope that the voters of Bennington can see the need for this truck.

On behalf of the Highway Department, I wish to express my thanks for the cooperation and understanding of the town's people.

Respectfully,  
Charles Cook,  
Road Agent

## BENNINGTON POLICE DEPT.

For those of you who might not know, I accepted the position of acting police chief effective January 1, 1981. Unfortunately there were no records of activities left for the previous year. Therefore, I cannot provide you with an accurate account of activities for 1980. I look forward to meeting the residents of Bennington and seek all of your cooperation in helping your police department in keeping Bennington a safe and enjoyable community. Rest assured, there will be continuous police coverage 24 hours a day, either through myself or one of our specials. I look forward to working with the people of Bennington and hope that 1981 is a good year for us all.

Respectfully submitted,  
William A. MacKenzie, III

## LIBRARY TRUSTEES' REPORT

The year 1980 was a busy one for the Library Trustees and the Librarian.

Weeding of our fiction book collection, which was started in 1979, was continued with the professional assistance of Miss Susan Palmatier from the Extension and Development Area of the New Hampshire State Library. We were very grateful for Miss Palmatier's services (approximately 30 hours), and the help of volunteers (approximately 50 hours.)

This year we received two deliveries of books via the State Bookmobile. A total of about 1,150 books was loaned to us with the deliveries in February and October. This service by the State of New Hampshire is very valuable to small libraries like ours — the townspeople have access to many fine books, non-fiction and fiction, including contemporary authors.

In the middle of the summer we discovered we had some unwanted guests in the library attic — bats! Steps were taken to repair open spaces in the roof. After a clean up and spraying of insecticides it is hoped we are rid of the problem.

A book sale of our discarded books was held on the library lawn on May 30. We had many interested visitors and this occasion launched an on-going sale of books through the summer.

Our annual Pierce School Prize Speaking Program was held on May 22 at the Town Hall. It was very enjoyable and well attended by parents and friends of the students.

A summer reading program for the children was held at the Library from July 1st to August 12. In addition to reading, many other interesting activities took place, such as acting, crafts, etc. Certificates were awarded to the children for reading required numbers of books. On the last day a puppet show was given at the Town Hall by the Poor House Puppeteers. Approximately 40 people attended.

As the cooler weather set in our thoughts turned to energy conservation and the necessity for additional insulation on the library attic floor. The cost of adding the insulation is being offset by the reduction in fuel consumption.

1981 will be an important milestone for the Library — 75 years old in August. Celebration ideas will be welcome. Let us hear from the townspeople.

The Trustees appreciate the continued interest and support of the Town, and volunteers who are always welcome.

Paul T. Kyte  
Helen M. Neu  
Carol Clark

|                   | \$359.75 |

Robert L. Knight Sr., Chairman

## **WELFARE DEPARTMENT**

Our case load increased by 50% in 1980, however, we did not exceed the budget. Projecting into 1981-82 we must give some thought to a larger appropriation. In some cases we are mandated by the State to expend, and our first concern is the needs of our senior citizens and children. Food and fuel assistance must be provided by the Town until applicants are accepted by the State. My thanks to those who have taken advantage of the federal fuel and energy assistance program. With good luck our future juvenile expenses should be nil due to federal funding, which includes Bennington, in the juvenile diversion program out of the Hillsboro District Court.

Barbara Huntley,  
Officer of Public Welfare

## **HEALTH DEPARTMENT**

I am pleased to report that this department handled four cases in 1980, three were minor problems and one serious. With the help and cooperation of State officials we were able to resolve them with no cost to the Town. On the basis of this record I feel no need for funding for 1981.

Barbara Huntley,  
Health Officer

— THE NEW AND THE OLD —

Veteran Fireman, Edward French, shows off the new Bennington Fire Department truck.

In addition to 49 years as a member of the Fire Department, Ed is 23 years our Tax Collector and 3 years our Town Clerk.

So if you want to pay your taxes, get a marriage license or save your homestead, you will probably be seeing Ed French.
